

Final Project Summary

Dan Van Winkle¹, Dmitry Teytelman²

¹SLAC, Menlo Park, 94025, USA

²Dimtel, Inc., San Jose, CA, 95124, USA

US Particle Accelerator School

June 19, 2009

Results

- All teams did really well.
- Basically all specs were met by all teams.
- ADC spectrum -40 dBc spec is hereby adjusted to -39 dBc.
- Great high-Q results.
- We (the instructors) did not get as high a Q as we saw in the competition.
